Chiku Counts the Stars

Sing-along lyric sheet · ages 2-5 · tempo 96 bpm

VERSE

Night is here, the sky is blue,
Chiku the panda, how do you do?
Tara the firefly glows so bright,
Let us count the stars tonight!

CHORUS

Look up, look up, what do you see?
Stars to count with you and me!
Shine, shine, one by one,
Counting stars is so much fun!

COUNT

One little star, over the tree,
Two little stars, shining at me,
Three little stars, over the hill,
Four little stars, quiet and still,
Five little stars, all in a row,
Count them again, and off we go!

CHORUS (AGAIN!)

Look up, look up, what do you see?
Stars to count with you and me!
Shine, shine, one by one,
Counting stars is so much fun!
